Mistruck medal

Lot	Description	Grade	R/E
	<p>The latest RNSNZ service medals are offered for sale. This series features Bill Lampard who was the Society's president from 1981 to 1987 and again from 1989 to 2003. Only 20 numbered silvered coloured medals have been produced and are offered here for sale. The first strike of these medals was incorrect and had the wording "80th Anniversary" instead of the correct version "Established 1931". Both are offered for sale individually. Although undated they were both struck in 2018. Numbers 1 and 2 of both types will be retained by the Society.</p> <p>Two gold coloured medals of both types are offered for sale as well. Only 5 of each version were mistakenly struck in 2018. They are un-numbered.</p> <p>The previous service medals featured Alistair Robb who was the President in 1991. They were also limited to 20 numbered pieces. They were struck in 2015. Some are still available for sale and are also included in this auction.</p>
